

LET'S ASSEMBLE!

FALL SPORTS

At the Fall Sports Assembly, many teams came together to give us a spectacular show. It was engaging, energetic, and a fun event to watch for all students who attended. There were dances, cheer performances, and enticing sets shown by students. The participation was through the roof, and everyone "had a fun, lively time with friends," said Claire Stormont (10).

"THE CATWALK WAS FUN,
EXCITING AND ENJOYED BY
MANY, EVERYONE LOVED
BEING THERE EITHER TO
WATCH OR PARTICIPATE"

-Liam Harrison-Stewart (11)

CLUB FAIR

At the club fair, every club worked together with enthusiasm to convince others to join. The fair was energetic and engaging. Everyone who participated had a blast. Many clubs showered joining members with candy and gifts. The clubs this year are extremely excited and hope that anyone can join them!

WINTER ASSEMBLY

At the Winter Sports Assembly, the sports teams showed up and showed off to celebrate the beginning of their seasons. The assembly had an exciting and invigorating atmosphere. The Spirit Bowl theme was announced as DreamWorks, which came as a great surprise. One of the Dance Co. athletes, Ina Delfin (8), shared her thoughts on their production: "It was fun! Once I started performing, all the nerves went away."

WEST FEST

This year's West Fest was an exciting event held during PAC class in the Fieldhouse. It gave clubs and classes an opportunity to share their passions with other students. One of the students who attended the event, Elsa Bloch (8), described it as "a chaotic but exciting and entertaining PAC." West Fest was a smashing success, and students can't wait to go again next year!

The PAC committee chair Maggie Fowler (12) said that her favorite part of the event was the planning that went into it, and working with her amazing team. She coordinated and planned the entire event with the help of her peers in Senate and many teachers!
