HOMECOMING

HOMECOMING 101: For the best Homecoming experience, it's recommended to attend all of the West High Homecoming activities. Participate in fun dress up days, lunch time activities, the annual homecoming assembly, and make sure not to miss the Homecoming game! The band, cheer team, and student section work together to get the crowd's spirit high and create an amazing energy. Top all of it off at end of the week with the Homecoming dance — you don't want to miss it!

SPIRIT WEEK DRESS-UPS

Student government chose some new and exciting dress up themes for Homecoming (or "Hoco" for short) Week. Everyone who participated had fun dressing up to earn spirit points. Tuesday was Adam Sandler day, everyone was wearing baggy shorts and baggy t-shirts. Some even went as far as wearing sunglasses and dad shoes. On Wednesday, inspired by the recently released *Barbie* movie, we wore pink! It was impossible to walk in the halls without seeing vibrant and fashionable people pinked out. Sports day on Thursday was a classic — students were excited to represent their favorite sports teams. Lots of athletes dressed in their practice gear to show their school spirit. Friday was the classic red and black day. The halls were a flood of red and black; almost everyone in the school was representing their school colors and school spirit!

DISCO FEVER

The theme for the homecoming dance was "Disco", and it was held in the commons. Some were skeptical of the location at first, but in the end, everyone had a blast. The space was decorated with disco balls, lights, posters, and balloons. Some dressed up in colorful button ups and sparkly 70's dresses. It was so much fun, nobody wanted to leave!

23

Jr Dickson (#23) and Si'i Unga (#14), lead the football team onto the field.

GAME ON!

The Homecoming football game was packed with energy: the stadium was filled with team spirit. At first, within seconds of the game, our opponent Alta High scored a touchdown, making many spectators worried. Several of our athletes also sustained injuries. But our football team gave their all, quickly turning the game around to win by a landslide victory of 54 to 27.
